LibGen is a unique
concept in the category
of eBooks, as this
Russia based website is

Online Library Aalborg Boiler

actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to

Online Library Aalborg Boiler

books and articles, the site is still functional through various domains.
