9260214841671- Art of Colonial Latin America (Art & Ideas)

Latin American art is the combined artistic expression of South America, Central America, the Caribbean, and Mexico, as well as Latin Americans living in other regions. The art has roots in the many different indigenous cultures that inhabited the Americas before European colonization in the 16th century. The indigenous cultures each developed sophisticated artistic disciplines, which were highly influenced by religious and spiritual concerns. Their work is collectively known and referred to as

Latin American art - Wikipedia

The Los Angeles County Museum of Art didn't begin to collect colonial Latin American art in a serious way until 2006. For years, in fact, the only significant Latin American colonial object in the museum's collection was a 16th century Mexican chalice that had been donated by William Randolph Hearst.
