Don't lie. We all think about beauty or what is beautiful to us. When outward beauty fails to meet societal standards/desires/lusts, and depression enters in, the job of the transformational life coach is to make people feel comfortable in their own skins by turning them inward. The truth is the world recognizes forms of outward and inward ...

A coral reef is an underwater ecosystem characterized by reef-building corals. Reefs are formed of colonies of coral polyps held together by calcium carbonate. Most coral reefs are built from stony corals, whose polyps cluster in groups. Coral belongs to the class Anthozoa in the animal phylum Cnidaria, which includes sea anemones and jellyfish. Unlike sea anemones, corals secrete hard carbonate ...
