Best Way to Race Control For a League. Question/Help. Close. 1 1. Posted by. NASCAR Camping World Truck Series. 2 days ago. Best Way to Race Control For a League. Question/Help. I am doing Race Control for a League. I was doing in the view where I entered the lobby as I would if I were driving and instead of gridding I just watched the race. I ...

~~Best Way to Race Control For a League - iRacing~~

The reason it got changed was to fill up lobbies faster, but I seriously hope this gets re-considered over time. Constantly getting booted back to the skirmish mode after 1 race gets tiresome as well. "But public lobbies are coming" <- This is true and will be the only proper way to race in multiplayer with the changes done to Quick Match.

The race and ethnicity questions in research design have been discussed and debated for many years. Two important issues in the debate are a) should the (esp., race) question even be asked? and b) if so, what is the best way to word these questions to gain some true (objective or subjective) measure.Rubén Rumbaut

~~The Questions of Race & Ethnicity | Research Design Review~~

10K Race Plan for Beginners. If you're new to the distance, then the simplest way to approach the race is to divide it into two 5Ks. The goal is simple. Run the first 5K very, very easy. Then you can start your racing after that 5K mark is reached, running each mile a bit faster so that by the end of the 10K you're definitely at your max.
