Students are given 90
minutes to complete the
first section of the exam.
The second section of the
AP Biology exam is the
free-response section.

The questions in this section are largely essay-based, and frequently require students to compose paragraph-length responses to explain various biological processes and concepts.

~~AP Biology Practice Tests
—Varsity Tutors~~

Like other AP tests, AP Biology has two parts: a multiple-choice section

Download File

PDF Biology

and a free-response section, each of which is worth 50% of your overall score. These sections are then divided further into different types of questions. The multiple-choice section is the first section.
