The Bosch front load washing machine cost about \$600-700 (I don't remember, bought it 4 years ago) and I didn't think the \$150 for replacing the rubber seal was justified. I am worried that all those harsh chemicals could destroy the rubber seal itself and make holes in it, and then the problem would become even more difficult and ...

Even quieter than our last Bosch which I replaced after 7.5 years but kept for use in an upstairs apartment if I can fix a water supply issue. Called a repair place, they said it would likely be \$500 to fix so I got a new machine. My only complaint is that Bosch completely changed the back end shape, and the water and power connections.
