Fire Emblem: Shadow Dragon & the Blade of Light combat includes the familiar rock-paper-scissor formula with RPG elements thrown in. There are three types of melee weapon users, each having a strength and weakness, forming a weapons triangle: Lances have an advantage over swords, swords have an advantage over axes, leaving axes strong against lances.

About the Author: Rosemary lives in Little Rock, AR with her cute husband and even cuter dog. At 16, she plucked a copy of Sloppy Firsts off the "New Releases" shelf and hasn't stopped reading YA since. (She's still got a soft spot for the swoony, contemporary stuff.) A former magazine editor, she is now a freelance writer, graphic designer, art director and photo stylist.
