Professional Mechanics. Your mechanic will likely first suggest that you try a commercial catalytic converter cleaner. If that fails, the next offered solution will be a replacement. Including the new components, this ranges from \$200–\$400. The price will be calculated according to your vehicle, the number of sensors, and the garage itself.

The 2009–11 Toyota vehicle recalls involved three separate but related recalls of automobiles by Toyota Motor Corporation, which occurred at the end of 2009 and start of 2010. Toyota initiated the recalls, the first two with the assistance of the U.S. National Highway Traffic Safety Administration (NHTSA), after reports that several vehicles experienced unintended acceleration.
