### Educate A Change – A Step Towards Global Education

IGCSE results were traditionally graded from A\* – G, however, from June 2017, schools in England began introducing a 9 – 1 grading system for IGCSEs. Cambridge — the A\* – G system is still in place for the majority of students and countries, however the new 9 – 1 system is available on an optional basis for schools in certain regions.

### IGCSE vs GCSE: 5 Differences You Should Know in 2020

HPL helps good schools to become world class, through supporting them to develop their own interpretation of the High Performance Learning Framework (or their 'unique choreography', as one head teacher put it) and implement the principles of High Performance Learning throughout their schools.
