In Digital Digital Storytelling: Capturing Lives, Creating Community, Joe Lambert provides a general overview and specific techniques for developing and producing a digital story. In addition, the...

Digital Storytelling: Capturing lives, Creating Community

Lambert's Digital Storytelling: Capturing Lives, Creating Community lacks a sole definition of digital storytelling, so some may finish the book still questioning the difference between a digital story and a documentary film. Not until Chapter 4 do we get this clue: "If the writing is no longer than the front and back of a 4 x 6 card (about 1 ...

DIGITAL STORYTELLING: Capturing Lives, Creating Community ...

Since then, Joe has traveled the world to spread the practice of digital storytelling and has authored and produced curricula in many contexts, including the Digital Storytelling Cookbook, the principle manual for the workshop process, and Digital Storytelling: Capturing Lives, Creating Community.

"Storyboards are visual representations that aid in the creation process of digital storytelling. Storyboards lay out images in sequential order to create the flow of the production." From the University of Houston.

Create - Digital Composition, Storytelling & Multimodal ...

Stories offer a powerful framework for engagement, reflection, and other important skills that young people need to learn. As digital media have expanded, so have the possibilities for creating stories. Here, several examples of those new possibilities are examined, examples that highlight student-produced online broadcasting initiatives, podcasting and blog applications, the convergence of computer and television, and a student-produced virtual reality game designed to promote learning ...
