Harry Mount’s How England Made the English: From Why We Drive on the Left to Why We Don’t Talk to Our Neighbours is packed with astonishing facts and wonderful stories. Q. Why are English train seats so narrow? A. It's all the Romans' fault. The first Victorian trains were built to the same width as horse-drawn wagons; and they were designed to fit the ruts left in the roads by Roman chariots.

How England Made the English by Harry Mount | Waterstones

Instead of "How England Made the English", it should be called "How Southern England Made the Southern English" If you are intersted in the area south of a line from the Humber to the Bristol Channel, you are wll catered for with a lot of interesting information. Beyond that, there are references to York, Manchester and Liverpool, but almost ...

English language in England – Wikipedia

The Kingdom of England was a sovereign state on the island of Great Britain from 927, when it emerged from various Anglo-Saxon kingdoms until 1707, when it united with Scotland to form the Kingdom of Great Britain. On 12 July 927, the various Anglo-Saxon kingdoms were united by Æthelstan to form the Kingdom of England. In 1016, the kingdom became part of the North Sea Empire of Cnut the Great, a personal union between England, Denmark and Norway. The Norman conquest of England in 1066 led ...

Kingdom of England – Wikipedia

The English people are an ethnic group and a nation native to England, who speak the English language of the Indo-European language family and share a common history and culture. The English identity is of early medieval origin, when they were known in Old English as the Angelcynn ('family of the Angles'). Their ethnonym is derived from the Angles, one of the Germanic peoples who migrated to ...

English people – Wikipedia

When the Normans arrived in England, their copyists wrote English as they heard it, without realising the peculiarities of the relationship between Anglo-Saxon pronunciation and spelling and so the spelling changed.

Anglo-Norman language – Wikipedia

English is a West Germanic language first spoken in early medieval England which eventually became the leading language of international discourse in today's world. It is named after the Angles, one of the ancient Germanic peoples that migrated to the area of Great Britain that later took their name, England.Both names derive from Anglia, a peninsula on the Baltic Sea.

English language – Wikipedia

English inventions and discoveries are objects, processes or techniques invented, innovated or discovered, partially or entirely, in England by a person from England (that is, someone born in England – including to non-English parents – or born abroad with at least one English parent and who had the majority of their education or career in England).

List of English inventions and discoveries – Wikipedia

England is a country that is part of the United Kingdom. It shares land borders with Wales to its west and Scotland to its north. The Irish Sea lies northwest of England and the Celtic Sea to the southwest. England is separated from continental Europe by the North Sea to the east and the English Channel to the south. The country covers five-eighths of the island of Great Britain, which lies in ...

England – Wikipedia

Formed of the union of small Celtic and Anglo-Saxon kingdoms during the early medieval period, England has long comprised several distinct regions, each different in dialect, economy, religion, and disposition; indeed, even today many English people identify themselves by the regions or shires from which they come—e.g., Yorkshire, the West Country, the Midlands—and retain strong ties to those regions even if they live elsewhere.

England | History, Map, Cities, & Facts | Britannica

In fact, English is now the official language of many of the countries all over the world. Originally, Old English was spoken. This language had its origins in Indo-Europe and the Anglo-Frisian branch of a Germanic language, the people of which brought it to England in the fifth century of our Common Era (CE).

Glassware - Glassware - England: Glass was certainly made in England during the later Middle Ages, but most of it was used for church windows (see stained glass). The vessel glass of the period has not been much studied and is only imperfectly understood. Only by the second half of the 16th century does the picture become clearer. Two lines of development may be traced in this period.

Glassware – England | Britannica

The First Act of Union made Scotland, England and Wales into one country. The history of England after this 1707 Act is a part of Great Britain's history.
