This book offers, for the first time, a comprehensive account of the development of modern art in Thailand. Its central focus is to trace the main thread of eclecticism that characterizes modern Thai art, and to show how foreign influences, as well as Buddhism, local traditions, and folk cultures served as

~~Preliminary Exploration~~

Modern art includes artistic work produced during the period extending roughly from the 1860s to the 1970s, and denotes the styles and philosophies of the art produced during that era. The term is usually associated with art in which the traditions of the past have been thrown aside in a spirit of experimentation. Modern artists experimented with new ways of seeing and with fresh ideas about the nature of materials and functions of art. A tendency away from the narrative, which was characteristi

Thailand - Thailand - The arts: Traditional Thai literature was deeply connected to the literature of both Buddhist and Hindu India. The best-known story of the premodern period—as recounted in sermons by monks and depicted in temple paintings—was that of Prince Wetsandorn (Vessantara). This story is the last and most important of the Jataka tales (i.e., stories about people or animals who ...

Thai Painting of the 19th Century: A depiction of a white elephant in 19th century Thai art. The most frequent themes for Thai painting are illustrations of the Jataka tales (a vast body of fables about the previous incarnations of the Buddha, both in human and animal form), events from the life of the Buddha, the Buddhist heavens and hells, and scenes from daily life.
