The latest edition  
of the NERO

Alliance rulebook  
has taken positive  
steps in  
differentiating it  
from NERO  
International.

Three new  
character-classes,  
new spells, a new

system all make it clear that this is not old-school NERO. The new classes and the reworking of the skills costs table make for a more diversified low- to mid- level game.
