The House of Night series from bestselling authors P.C. Cast and Kristin Cast is set in a world very much like our own, except in 16-year-old Zoey Redbird's world, vampires have always existed. In this first book in the series, Zoey enters the House of Night, a school where, after having undergone the Change, she will train to become an adult ...

Parents and caregivers must prepare for the upcoming changes in the parent-child relationship; teens will begin to detach to a greater degree from existing family bonds and focus more on their peers and the outside world. This quest for greater independence and autonomy is a natural part of the developmental process in adolescence.

Petroleum (/ p ? ? t r o ? l i ? m /), also known as crude oil and oil, is a naturally occurring, yellowish-black liquid found in geological formations beneath the Earth's surface. It is commonly refined into various types of fuels. Components of petroleum are separated using a technique called fractional distillation, i.e. separation of a liquid mixture into fractions differing in boiling ...
