The Renault Clio is a supermini car (), produced by French automobile manufacturer Renault. It was launched in 1990, and entered its fifth generation in 2019. The Clio has had substantial critical and commercial success, being consistently one of Europe's top-selling cars since its launch, and it is largely credited with restoring Renault's reputation and stature after a difficult second half ...

The Renault Clio automatic engine stop and start system helps to reduce fuel consumption and lower exhaust emissions. Stop and start is activated automatically when the vehicle is started, but can be manually switched off. When your vehicle comes to a standstill, the system stops the engine (standby) and automatically restarts when you move off.
