The Renault Mégane is a small family car produced by the French car manufacturer Renault for model year 1996, and was the successor to the Renault 19. The Mégane has been offered in three and five door hatchback, saloon, coupé, convertible and estate bodystyles at various points in its lifetime, and having been through three generations is now in its fourth incarnation.

### Renault Mégane – Wikipedia

The first generation Mégane RS was introduced in September 2004 and is based on the Renault Mégane II small family car. The Mégane II RS was available in three-door and five-door hatchback versions, both with the same engine and was built at Renault's Dieppe factory by using body shells made in Palencia, Spain. The Mégane Renault Sport 225 uses double-axis strut suspension with independent ...

The latest Renault Megane doesn't trouble the very best cars in the family hatchback class, because it falls a little short on quality, practicality and driving manners. That said, it's still a reasonably compelling proposition. It looks great, it's affordable to buy and run, and it comes packed with kit. For many buyers, that'll be enough.
