## Paper

Revising isn't the first step in the process of writing a research paper, but it is perhaps the most important. Many students skip the revision process, mistaking editing for revision. While editing is also very important, revision is an integral part of any good writing

# File Type PDF Revising Research Paper

process. During revision, you should try to see your work from different perspectives and different angles.

Revising & Editing a Research Paper -  
Excelsior College OWL

Revising. Revising is a continuous "re-seeing" of your writing that considers

# File Type PDF Revising Research Paper

larger issues like focus, organization, and audience. It is not simply moving or deleting a few sentences or checking for typos. Revising Tips. Set aside your writing for a few days (or hours, if you procrastinated), in order to clear your head.
