Rachel Kushner | TELEX FROM CUBA

Rachel Kushner has written an astonishingly wise, ambitious, and riveting novel set in the American community in Cuba during the years leading up to Castro's revolution a place that was a paradise for a time and for a few. The first novel to tell the story of the Americans who were driven out in 1958, this is a masterful debut.

Telex From Cuba by Rachel Kushner — Lightly Used Books

Everly Lederer and K.C. Stites, the central characters in Rachel Kushner's debut novel, Telex from Cuba, are busy coming of age in 1950s Cuba. K.C. is the privileged son of the president of United Fruit, while Everly and her family dwell on the (relatively) less wealthy side of the American enclave.
