What are the mysterious qualities that make French women so stylish? Words like "effortless" and "undone" come to mind, but we suspect it's partly the things French women don't do that make them so fashionable. And because French women are truly in a sartorial league of their own, the rest of the world is on a constant quest to emulate them.

When learning Japanese you're introduced to several writing systems, including hiragana, katakana, kanji, and finally "romaji". Romaji simply means "Roman characters." You will typically use romaji when you type out Japanese sentences using a keyboard. "Romaji is the representation of Japanese sounds using the western, 26-letter alphabet," says Donald Ash, creator of TheJapanGuy.com.
