are on the move, who have left their countries and have crossed borders. The terms "migrant" and "refugee" are often used interchangeably but it is important to distinguish between them as there is a legal difference.

~~Refugees, Asylum seekers and Migrants | Amnesty International~~

Refugees are forced to leave their country because they are at risk of, or have experienced persecution. The concerns of refugees are human rights and safety, not economic advantage. They leave behind their homes, most or all of their belongings, family members and friends. Some are forced to flee with no warning and many have experienced significant trauma or been tortured or otherwise ill-treated.
