Wii Fit combines fun and fitness in one product. It can change how you exercise, how you balance, and even how you move. How will it move you?

What is Wii Fit?--Nintendo

The Wii Remote, also known colloquially as the Wiimote, is the primary game controller for Nintendo's Wii home video game console.An essential capability of the Wii Remote is its motion sensing capability, which allows the user to interact with and manipulate items on screen via gesture recognition and pointing, using accelerometer and optical sensor technology.

Wii Remote--Wikipedia

The Wii (also known unofficially as the NintendoWii) is a seventh generation video game console created by Nintendo, and a successor to Nintendo's previous console, the Nintendo GameCube. It is Nintendo's fifth major home console. The console was initially released on November 19, 2006 in North America, and was released shortly thereafter in other countries, and eventually became the leading ...
